

SCREEN WASH RAIN X WITH INSECT REMOVER & RAIN REPELLENT

DESCRIPTION

SCREEN WASH RAIN X WITH INSECT REMOVER & RAIN REPELLENT is formulated with exclusive active components.

Screen wash to remove insect with added rain repellent effect. Perfect for Spring & Summer seasons, providing a streak-free finish whilst repelling rain, dirt, and insects, creating an invisible coating that will help stop insect & debris sticking to the surface. It provides a new hydrophobic technology which is able to generate small water drops that rapidly slide down the windshield optimizing the visibility in adverse weather condition.

Eliminates all kind of windscreen soils, such as: insects, dirt, mud...

FEATURES

- It improves visibility and cleanness without any presence of residues. Removes all kind of windscreen soils.
- Perfect for Spring & Summer seasons.
- Hydrophobic technology provides unique rain repellency, improving visibility in hard driving conditions.
- Efficient control of foam formation for the avoidance of performance loss.
- It provides a pleasant smell.
- Specific control against bacteria generation for protecting the windscreen washer circuit against any deposit formation, prolonging besides the product life.
- "Ready to use" product.

DIRECTIONS FOR USE

- Shake before use. Ready to use product, just add it into the deposit. No need for dilution.
- Preferably, empty the deposit before the addition of the product for optimal results. Its mixing with other product might affect the overall performance of the product.

TECHNICAL CHARACTERISTICS

Property	Unit	Method	Value
Colour	-	Visual	Green
Appearance	-	Visual	Translucent
Density at 20°C	g/ml	ASTM D4052	0.98 – 1.00
pH		ASTM E70	5 - 7
Freezing point	°C	ASTM D1177	0
